

# MEET JANELLE COLEY

## E&E Faculty

### About Me

Janelle began dancing at 5 years old in Littleton, CO and quickly realized the dance studio was her happy place. Her love of dance continued as she danced and competed in Poms at Columbine High School and on the Rhythm & Gold dance team at UCCS. Janelle then continued her dance education and training as a dance scholarship recipient at Colorado State University and earned her BA in Dance. She realized at that time her true passion was as a dance educator. Janelle's love of teaching dance first began as an assistant dance teacher in middle school and grew from there as she continued teaching. Janelle feels so thankful to be truly living her dream, sharing her love and passion for dance with the next generation of dancers. Janelle is honored to be a part of the **E&E Dance Company** family.
