

MEET TARRA GERLACH

E&E Faculty

About Me

Miss Tarra's love affair with dance began at an early age dancing in a small studio in rural Nebraska. During this time she explored all areas of ballet, tap, jazz, lyrical, and pointe. She continued the study of dance during college as she also gained her degree in Accounting and Finance, which led her to owning a medical practice management/accounting/tax firm. In her adult years, Tarra danced recreationally, including such styles as belly dancing. It wasn't until her daughter was born in 2015 and she dug out the old dance shoes and costumes to decorate the nursery that she remembered how much she loved the world of dance. Tarra feels blessed to now share the studio with her daughter and enjoy this chapter together. Tarra currently resides in Elizabeth, CO with her husband, Jon, her 15 year old son, Regan and her 8 year old daughter Emilia. When Tarra isn't working in a medical office or for an accounting client she is usually watching her son play baseball, dancing with her daughter or volunteering at her church.

Tarra is excited to be a part of the **E&E Dance Company** family and can't wait for the 2023-2024 dance season.

Years On Staff: 0

Job Titles: Petites Teacher

Motto: "A time to weep, and a time to laugh; a time to mourn, and a time to dance;"
